

Did you know
Mobile phones have
18 times more
bacteria than toilet
handles?

That's why we
recommend
you use

Only
\$5.90
100 wipes

People see toilet flushes as being something dirty to touch, but they have less bacteria than phones.

[For more detail click here!](#)

Isoclene Wipes contain 70% IPA which effectively kills 99.9% of germs on hard surfaces and equipment.

Isoclene is by far the strongest safeguard against cross contamination through shared equipment.
